

AMENDMENT TO THE SPECIFICATION

Please amend the paragraph in the specification on page 7, starting at line 3 as follows:

As used herein, the term "personal care product" means personal hygiene oriented items such as wipes, diapers, training pants, absorbent underpants, adult incontinence products, feminine hygiene products, and so forth. Personal care products also include nursing pads, surgical gowns, wound care articles, pads or bandages, mortuary and veterinary products and wipes, time and/or condition release articles (such as medicine patches, etc.) and the like.
